

ENVIRONMENTAL STATEMENT

IMS NEW ZEALAND LIMITED

AT IMS NEW ZEALAND, SUSTAINABILITY IS AT THE HEART OF HOW WE OPERATE. WE BELIEVE IN PROTECTING THE ENVIRONMENT, CONSERVING RESOURCES, AND WORKING RESPONSIBLY WITH OUR PARTNERS TO CREATE A BETTER FUTURE.

OUR SUSTAINABILITY COMMITMENTS

1. Reducing Our Footprint

We are committed to minimising our environmental impact through:

- Responsible sourcing of materials
- Energy-efficient operations
- Waste reduction and recycling initiatives
- 2025 saw the introduction of our first plug-in Hybrid

2. Ethical Partnerships

We partner with suppliers and contractors who demonstrate strong environmental responsibility, ethical business practices, and a commitment to reducing their own impact on the planet.

3. Climate Action

We measure and work to reduce our greenhouse gas emissions by:

- Using electricity from New Zealand's national grid, which averages 80–85% renewable generation annually
- Investing in energy-efficient equipment and processes
- Following the IMS Sustainability Policy

4. Continuous Improvement

We review our objectives annually to ensure we stay aligned with evolving best practices and environmental priorities.

OUR PROMISE

Every member of the IMS New Zealand team, from staff to suppliers, plays a role in meeting these commitments. We are transparent about our progress and remain accountable to our customers, our community, and the planet.
